From Jack McNevin, President

HERE WE ARE IN AUGUST THAT FEELS LIKE MARCH! WHERE IS OUR SUMMER? NEXT MONTH BRINGS OUR CHAMPIONSHIP SO IT IS TIME TO REVIEW SOME OF THE RULES. 1. YOU MUST HAVE PLAYED IN (5) POSTED ROUNDS TO COMPETE FOR LOW GROSS OR LOW NET. YOU MUST HAVE POSTED (3) ROUNDS TO COMPETE FOR \$\$ IN ANY FLIGHT. IN THE EVENT OF A TIE FOR LOW GROSS OR LOW NET, THERE WILL BE A FOUR HOLE PLAYOFF BEGINNING AT THE FIRST HOLE. ALL OTHER TIES SPLIT THE PRIZE MONEY. "LAP" MONEY WILL BE PAID IN EACH FLIGHT FOR THE SECOND ROUND. YOU MUST PLAY IN BOTH ROUNDS TO WIN LAP MONEY. GOLD TEES ARE IN PLAY EXCEPT FOR LOW GROSS. THE ENTRY FEE OF \$10 MUST BE PAID PRIOR TO THE FIRST ROUND. IF YOU HAVE NOT POSTED THE REQUIRED ROUNDS YOU MAY STILL PLAY AT THE END OF THE STARTER'S LIST, NO ENTRY FEE IS DUE. THE CLUB ADDS ABOUT \$700 TO THE PRIZE FUND FOR THIS TOURNAMENT THAT GIVES US ABOUT \$ 1300 TO HAND BACK IN PRIZE \$\$. COME PLAY AND GET SOME OF IT !!

PS IF YOU BUY AN OCCASIONAL DRINK FOR THE TC, YOU WILL BE PUT ON THE LIST FOR PREFERENTIAL STARTING TIMES !

THANK YOU FOR YOUR ATTENTION, JACK MCNEVIN, PRES. AND (ACTING) TC

From Alan Brooks, Editor/Green Committee Representative

My job is about to get easier, unfortunately. The City is in the process of disbanding the Green Committee, along with many others. It is a way to save a little scarce and getting scarcer resources. I'm sure your immediate thought is "How much does it cost to hold a meeting?" Actually, quite a bit. We typically have three to four people in attendance that the City is paying a salary, either directly or through a contract. All of these people have to prepare a written report for the meeting. City staff prepares an agenda and public notifications (required by law) for every meeting and then sends them out. Probably something like 20-hours goes into every meeting that the City pays for. At a loaded cost of something like \$150/hr that's \$3000 per meeting, and there are something like 15 committees just like ours. It adds up to something like a quarter of a million dollars a year.

Jeff Shafer has promised to keep us up to date through informal meetings and input for GolfLine. It is an unfortunate loss of a communication link to City planning but hopefully there will be alternative paths we can follow to get our thoughts heard and information on plans for our golf course.
