“ LATE SIGNUPS ” MAKE MORE WORK FOR EVERYONE, THE PRO SHOP AND THE FEW WHO DO THE WORK. LAST TOURNAMENT WE HAD 18 LATE OUT OF 59 WHO PLAYED. THAT'S ABOUT 35% AFTER THE TUESDAY DEADLINE. IS IT REALLY THAT DIFFICULT ?? PLEASE MAKE AN EFFORT TO SIGN UP ON TIME AND MAKE IT BETTER FOR ALL CONCERNED.

From Paul Bauman, Vice-President

Changes to golf course seems to be on hold, new caretaker at springtown, who will set own rates and policies with no input from city or greens committee. Doug Brown is now a member of the greens committee and as such can take your input **good and bad** to the meetings. So if you see him on the golf course or during one of our tournaments, he'll be glad to listen to you. If you happen to hear or know of any of our members who may have a health or personal issue they are struggling with and they don't have any

objections to sharing, let Jack or myself know so we can pass on the information to the members and get everyone thinking positive thoughts and wishes for their return to the golf course. Only a few more months left till winter so keep signing up for the tournaments.

From Dick Bulmer, Handicap Chairman

Multiple (Same-Day) Postings

I am now checking the USGA Scoring Records of our membership for multiple (same-day) posts. Multiple posts sometimes indicate an erroneous duplicate posting or perhaps an incorrect posting date. Of course, they may also be legitimate if in fact you played more than one round per day.

I will send you an email a week or so before each handicap revision date if I find multiple posts in your record. If you receive such an email, please check your USGA Scoring Record at ghin.com and let me know in a timely manner if any records should be deleted or modified. Make sure to check the most recent entries under the "All Scores" tab.
