

October, 2010

From Jack McNevin, President

October brings Indian Summer and membership renewal. Check out Bob Mole's article in this news letter. Lets all help Bob by getting our renewal \$\$ in early. This is a big job this time of year. October is also the month that all of your winnings on the books in the Pro Shop must be spent. There will be special sales as well as our Senior 10% discount !! Probably not both on the sale items, but still good. The October winnings will be held over and posted in November for book keeping purposes. Our well contested Club Championship is now history and we have two new Champs, Ken Taniguchi and Paul Bauman. Well done. Our 3 club tournament will be complete by the time you read this and I'll bet the scores won't be much different than with a full complement of clubs. So creative thinking does go well with course management to lower your golf scores, right? Right. Our course is in great shape, come on out and enjoy. Jack McNevin, Pres. and (acting) TC

From Bob Mole, Secretary

Hello fellow golfers, it is time to renew your membership for 2011. There is no increase for 2011. This coming year's dues are \$70 for continuing members and \$80 for new members.

The membership year begins in December so the Board asks that payments be in by November 1.

Please make your check payable to Las Positas Senior Golf Club. Please do not send cash. You may drop it in the senior box in the pro shop or mail directly to me at:

From Alan Brooks, Editor, Green Committee Representative

Well, we had the September meeting, the demise of the Green Committee is still eminent. But not yet. The meeting was punctuated by appetizer samplers from Beeb's (oh, yeah, every meeting from now on is going to be our last meeting), a short discussion of the financial state of the course (better, but still not good), the prospects for the discount mall and the Jack London extension (on the books, but not scheduled) and then a tour of the course to look at some of the options being considered when the course re-work gets done. Jeff has some ideas for the 8-green, 9-tee box area that are kind of exciting, a relocation of the 10-tee box to get it away from the bridge (it would move closer to 9-green and some of the trees along the creek would be removed), and a redesign of 18 to get it away from the maintenance building. I never hit my ball over there, but apparently there are some that do. How much of this comes to pass remains to be seen.

From Jeff deBenedetti, Las Positas Head Pro

October is the month to "clean your books" at the pro shop. Be sure to spend your winnings by October 31. Any money remaining on the books on November 1 will be donated to the junior golf program.
